31 It was agreed that the minutes from the meeting held on 20<sup>th</sup> April 2020 will be signed as a true record at the next Parish Council Meeting held in the Village Hall. This was proposed by Cllr Anne Moorhouse and seconded by Cllr Chris Mileson and all voted in favour.

Cllr Moorhouse wished for the wording (I'm not sure I said this next bit Jo) to be taken out of the minutes, this was Item 10 GBC Meeting of Parish Chairman minute number 19.

### 4 MATTERS ARISING

32 a None

### SUSPENSION OF THE MEETING FOR BOROUGH COUNCILLOR'S REPORT AND PCSO'S REPORT

PCSO Hartley sent a report through for April 2020, there were no crimes to report and no anti social behaviour or incidents to note. Items of good work included high visibility patrolling of the Parish and Covid 19 information. Cllr Matt Newnes was surprised to hear that there were no reports of anti social behaviour as he had made several calls to 101 to report this during April 2020. Cllr Newnes to contact PCSO Hartley direct.

Clive Stanley our Webmaster wanted to inform the Parish Council that he would be retiring as from 30<sup>th</sup> June 2020. He has enjoyed his time supporting the Council and said that should the Clerk wish to contact him for further training before he leaves she can do this via Zoom.

Councillor Rice gave a summary of the work being done in Cobham to find a solution to its traffic problems. Cobham PC commissioned a consultant to evaluate the problems and suggest solutions in the form of a discussion document. That report has been made available along with a summary on <http://www.cobham-kent-pc.gov.uk/>. Residents have been invited to provide their views via a survey which can be found here - <https://www.surveymonkey.co.uk/r/GWWP7RZ>. Cllr Rice invited Luddesdown PC and residents to participate in the survey. Councillor Rice emphasised that this is not a formal consultation, it is just seeking an initial reaction before any further steps are taken with KCC Highways, and that it is important that Luddesdown is involved in any final proposed solution. Cllrs Newnes and Milesen pointed out that the effect of the 4 options proposed would be to push 'rat running' traffic through Luddesdown. However, Cllr Rice clarified that the survey has 5 options, one of which is 'Do Nothing' and that the idea of a 'village gateway feature' (Option 1 in the report) has no traffic redirection affect. The Chair agreed to advise residents of the report and survey, and to draft a letter from the council to Cobham PC on the matter.

Cllr Rice also raised the problem of ASB through quad and track motorbikes in our area. He made the following points:

- It is vital that all ASB is reported to 101 and referenced, because data is used by the authorities to identify hotspots requiring action.
- He has written to the Police & Crime Commissioner, seeking help to enhance police resources in rural areas on this problem.
- He has written to our MP, requesting that he represents this problem to the Police Commander, and to explore legislation that may enable greater restrictions on byways open to all traffic.
