

INSURANCE RENEWAL PROPOSAL
FOR
Luddesdown Parish Council

Prepared by

Ms Lucy Tallent

12th May 2021

1. Introduction

Thank you for insuring with us last year.

We hope that you will renew your policy with us for the coming year. If you do, you will continue to receive the combination of high quality insurance, excellent service and competitive pricing that we provide.

- **High quality insurance**

Our policy has been designed for Councils such as yours. We have over 20 years of experience working with Town, Parish and Community Councils and are the largest insurer of public services in the UK.

- **Excellent service**

We pride ourselves on providing swift, friendly service. Highlights of this service include: a dedicated Account Manager (you have my direct line and email address); no admin fees when you make a change to your policy; and free access to legal and counselling helplines. Our customer service currently scores 4.7 out of 5 on the independent rating site Feefo.

Should you need to make a claim, it will be managed by our dedicated team of claims specialists. They will work with you to settle the claim quickly and minimise disruption in the meantime. They manage claims ranging from the simplest accidental damage to the most complex legal cases, so, whatever may happen, you will have experts on your side.

- **Competitive pricing**

We are proposing a premium of **£167.44** (including taxes).

This is based on the following understanding of your Council:

- The precept is under £25,000
- The wages and salaries are under £20,000
- All Risk's total is under £10,000 (contents including street furniture, play equipment, office equipment etc)
- There are no major events of public services undertaken during the year (eg events that have more than 100 people, bonfire events or conservation projects with use of power tools etc)

In addition to these benefits, if you choose to renew with us you will have bought from a company that makes a significant contribution to society: The Zurich Community Trust, a registered charity that is funded by corporate and employee donations, has given support to over 600 UK and overseas charities through grants and volunteering programmes.

2. Next steps

It is important that **you carefully read the attached document 'Local Council Policy Schedule'** and check that the facts we have about you are correct and that we have included all the covers that you want.

The Schedule is based on the understanding that your organisation and your insurance needs have not changed in the last year. If either have changed, it is very important that you call us on 01243 832003 or email us at lucy.tallent@zurichtogether.co.uk to discuss these changes.

Once you are happy with the Schedule, all you need to do to purchase your policy is pay the attached invoice.

3. The cost of this policy

The cost of this policy is £167.44 (including taxes).

This is made up of £149.50 for your policy and £17.94 Insurance Premium Tax (at the prevailing rate, which is levied on insurance policies).

This quotation is valid for 90 days from the quotation date specified on the front cover of this proposal.

4. How we will support you

We will be available to support you throughout the year with activities such as:

- Insuring new projects and events which you may be considering
- Making changes to your policy
- De-mystifying the sometimes complicated language used in insurance documents

Our approach to fees:

- We do not charge administrative fees or for providing duplicate documents.
- We will make no charge if you request changes or amendments to your policy that would cost less than £50.

5. Changes to your policy wording

We would like to draw your attention to some specific changes to the Policy schedule. For the most part these amendments are clarifications of the Policy wording, however some of them could be considered to be a change to the Policy terms.

Business Interruption – We have applied a new endorsement that can be found on your policy schedule. This endorsement restates the special extension provided under section 5.2 in respect of notifiable diseases. Whilst our policy limits remain unchanged, notifiable diseases are now clearly defined under the policy providing clarity as to when this cover will operate.

Please email or call me if you have any questions about these changes.

6. How to purchase this policy

Simply pay the attached invoice.

We ask that you pay us within 30 days of the inception date. Failure to do so could result in your insurance being cancelled.

7. Conclusion

This proposal and the attached 'Local Council Policy Schedule' should clearly describe your insurance requirements and how we plan to meet them. If they do not, or if you have any questions, please contact me on 01243 832003 or at lucy.tallent@zurichtogether.co.uk

We hope that a combination of our council expertise, the service we provide, and the price offered will convince you to renew your insurance with us.

General Notes

1. Fair presentation of the risk

You must make a fair presentation of the risk to us at inception, renewal and variation of your policy. This means that we must be told about all facts and circumstances which may be material to the risks covered by the policy and that you must not make a misrepresentation to us about any material facts. As part of your duty of fair presentation, you must ensure that the information detailed within the schedule is correct and complete. A material fact is one which would influence the acceptance or assessment of the risk. If you have any doubt about facts considered material, it is in your interests to disclose them to us.

Failure to make a fair presentation of the risk could result in the policy either being avoided, written on different terms or a higher premium being charged, depending on the circumstances surrounding the failure to present the risk fairly.

This policy is compliant with the principles of the Insurance Act 2015 law reforms. It also incorporates an 'opt out' which has the aim to promote good customer outcomes. We have opted-out of the 'proportionate reduction of claim remedy' available to insurers under the Insurance Act 2015. This means that in cases of non-disclosure or misrepresentation which are neither deliberate nor reckless, if we would have charged an additional premium had we known the relevant facts, we will charge that premium and pay any claims in full rather than reducing claims payments in proportion to the amount of premium that would have been charged.

We believe that our 'additional premium approach' should, in most situations, be more favourable to our customers when compared to the proportionate reduction of claim remedy. Our additional premium approach does not affect our right to apply the other remedies available under the Act for non-disclosure or misrepresentation.

2. Cancellation

All insurance policies run for a fixed period of time. The Insured can terminate an insurance contract verbally or in writing at any time. No refund will legally be due for any unused period of cover outside of the 'cooling off period' for consumer customers or following initiation for organisations and businesses. The Insurer may cancel the policy by giving 30 days' notice in writing. In such an event the insured will be entitled to a return of premium in respect of the unexpired portion of the period of insurance.
